THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF HYDRO66 HOLDINGS CORP. (the "**Company**") of proxies to be used at the annual general meeting of shareholders of the Company to be held on Friday, August 14, 2020 at the office of Irwin Lowy LLP at Suite 401, 217 Queen Street West, Toronto, Ontario M5V 0R2 at 10:00 a.m. (Eastern time), and at any adjournment or postponement thereof (the "**Meeting**") for the purposes set out in the accompanying notice of meeting (the "**Notice of Meeting**"). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Notice of Meeting, this management information circular (the "**Management Information Circular**"), the annual consolidated financial statements of the Company for the financial year ended December 31, 2019 and related management's discussion and analysis and other meeting materials, if applicable (collectively the "**Meeting Materials**") to the beneficial owners of the common shares of the Company (the "**Common Shares**") held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice of Meeting.

COVID-19 GUIDANCE

In the context of the effort to mitigate potential risk to the health and safety associated with COVID-19 and in compliance with the orders and directives of the Government of Canada, the Province of Ontario and the City of Toronto, the shareholders are being discouraged from attending the Meeting in person. All shareholders are encouraged to vote on the matters before the Meeting by proxy in the manner set out in the Notice of Meeting and this Management Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

A holder of Common Shares who appears on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Registered Shareholder**") may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Management Information Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Company. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM, HER OR IT AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the transfer agent and registrar of the Company, Capital Transfer Agency ULC (the "**Transfer Agent**") not later than 10:00 a.m. (Eastern time) on Wednesday, August 12, 2020 or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies may be deposited with the Transfer Agent using one of the following methods:

By Mail or Hand Delivery:	Capital Transfer Agency ULC Suite 920 390 Bay Street Toronto, Ontario M5H 2Y2
By E-mail:	info@capitaltransferagency.com
By Fax :	416-350-5008
By Internet:	www.capitaltransferagency.com/voteproxy You will need to provide your 15-digit control number (located on the form of proxy accompanying this Management Information Circular)

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, subject to the provisions of the *Business Corporations Act* (British Columbia), to (i) the registered office of the Company, located at Suite 1100, 736 Granville St., Vancouver, British Columbia V6Z 1G3, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Management Information Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Management Information Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a beneficial holder of Common Shares who does not appear on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (each

a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company's OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "**VIF**"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominee's name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Company consists of an unlimited number of Common Shares without par value. As of June 30, 2020 (the "**Record Date**"), there were an aggregate of 130,649,950 Common Shares issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Company's directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares, other than as set forth below:

The directors of the Company determined that four directors will be nominated at the Meeting. The persons named below will be presented for election at the Meeting as management's nominees. Each director elected at the Meeting will hold office until the next annual general meeting of the shareholders of the Company or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the notice of articles or articles of the Company or the provisions of the BCBCA.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board, at the recommendation of the Compensation and Nominating Committee, determines the compensation payable to the directors of the Company and reviews such compensation periodically throughout the year. For their role as directors of the Company, each director of the Company who is not a Named Executive Officer may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Company who are not Named Executive Officers were compensated by the Company or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Company.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long term value; and
5. connect, if possible, the Company's employees into principles 1 through 4 above.

The Board approves, or recommends for approval, all compensation to be awarded to the directors of the Company and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board may direct the Compensation and Nominating Committee and management to gather information on its behalf and provide initial analysis and

commentary. The Board reviews this material along with other information received from any external advisors which may be retained in its deliberations before considering or making decisions. The Board has full discretion to adopt or alter management or Compensation and Nominating Committee recommendations. The Board also reviews and approves the hiring of executive officers.

Base Salary

The Board, at the recommendation of the Compensation and Nominating Committee, approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers of the Company is consistent with the administration of salaries for all other employees.

Annual Incentives

The Company is not currently awarding any annual incentives by way of cash bonuses. However, the Company, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

Pension Disclosure

The Company has in place a defined contribution pension plan (the "**Pension Plan**") for the Named Executive Officers, the directors and for the benefit of its employees. The amount charged to the profit and loss account is the contribution payable by the Company in the year. Differences between contributions payable and contributions actually paid are shown as either accruals or prepayments in the statement of financial position.

The table below provides information for payments in connection with the retirement for the directors and NEO's for the year ended December 31, 2019:

Name	Accumulated value at start of year (\$)	Compensatory (\$)	Accumulated value at year end (\$)
Alex Johnstone	nil	nil	nil
David Rowe	nil	558	558

Termination and Change of Control Benefits

Compensation plans with Named Executive Officers and directors resulting from the termination of employment of such Named Executive Officer or a change of control of the Company are described under "Employment, Consulting and Management Agreements" and in "Pension Plan Disclosure".

Other than as otherwise disclosed in this Management Information Circular, the Company has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Company in connection with or related to the retirement, termination or resignation of such person. The 2018 Loans are secured by a general security interest over all of the assets of the Company, and through a guarantee of the Company's operating subsidiary in Sweden. Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110

Since the commencement of the Company's most recently completed financial year, the Company has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit);
2. the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a circumstance arises that affects the business or operations of the Company and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Company);
3. the exemption in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if an Audit Committee member becomes a control person of the Company or of an affiliate of the Company for reasons outside the member's reasonable control);
4. the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

The Company is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Company is relying upon the exemption in section 6.1 of NI 52-110 providing that the Company is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Company for professional services rendered to the Company during the fiscal years ended December 31, 2019 and December 31, 2018:

	Audit Fees (\$)	Audit-Related Fees (\$)	Tax Fees (\$)	All Other Fees (\$)
Year ended December 31, 2019	\$234,156	\$13,774	\$8,264	\$19,283

REPORT ON CORPORATE GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company's approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

Board of Directors

The Board is currently composed of four directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("**Form 58-101F2**") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed nominees, Anne Graf and David Rowe, the Chief Executive Officer and the Chairman, respectively, of the Company are considered not to be "independent". The remaining three proposed directors are considered by the Board to be "independent" within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each director in relation to a number of factors.

Directorships

The following table sets forth the directors of the Company who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuers
Richard Patricio	Toro Energy Limited, Latin American Minerals Inc., NexGen Energy Ltd. and ISOEnergy Inc.
Michael Hudson	Hannan Metals Ltd. and Mawson Resources Ltd

Board Committees

The Board has constituted two committees. The following directors are the current members of the following committees:

- *Audit Committee:* Michael Hudson (Chair), Richard Patricio and David Rowe.
- *Compensation and Nominating Committee:* David Rowe (Chair), Michael Hudson and Richard Croft.

Members of these committees are appointed annually to hold office until the next annual general meeting of the shareholders of the Company or until their successors are appointed.

Audit Committee

The Audit Committee is composed of three directors as named above, of which each of Messrs. Hudson and Patricio are "independent". The operation of the Audit Committee is described in the section entitled "*Audit Committee Information Required in The Information Circular of a Venture Issuer*" in this Management Information Circular.

Compensation and Nominating Committee

The Compensation and Nominating Committee is composed of David Rowe (Chair), Michael Hudson and Richard Croft, of which each of Messrs. Hudson and Croft are "independent". The Compensation and Nominating Committee is responsible for: (i) reviewing and approving corporate goals and objectives relevant to the compensation of the chief executive officer of the Company, evaluating the performance of the chief executive officer of the Company in light of those corporate goals and objectives, and determining (or making recommendations to the Board with respect to the compensation level of the chief executive officer of the Company based on this evaluation); (ii) making recommendations to the Board with respect to other officers and directors compensation and incentive-compensation plans; and, (iii) reviewing the executive compensation disclosure before the Company publicly discloses this information.

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board's continuing education is typically derived from correspondence with the Company's legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Company and the nature of its business. New Board members are provided with information regarding the functioning of the Board and its committees and full access to management. New Board members are encouraged to, (i) communicate with management, auditors and technical consultants, (ii) keep themselves current with industry trends and developments and changes in legislation with management's assistance, (iii) attend industry related seminars and (iv) visit the Company's operations.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

Other Board Committees

The Board currently does not have any standing committees other than as set in the section entitled "*Board Committees*" above.

Assessments

Currently the Board has not implemented a formal process for assessing directors.

OTHER MATTERS

The management of the Company knows of no other matters to come before the Meeting other than as set forth in the Notice of Meeting. **However, if other matters which are not known to management should properly come before the Meeting, the accompanying form of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.**
